# December Musick Studios News

## It's the most wonderful time of the year!

We hope your Thanksgiving was fantastic. Christmas is right around the corner. We hope this month is filled with laughter, joy and time well spent with family!

We are officially in our 5<sup>th</sup> month of the 2017-2018 season! You should all be very proud of the hard work you have put in this season!

## Showcase Dances

Parents will be able to record dances the last week before Christmas break.

You will be able to record again the last week of February.

This is a great way to not only record the music- but also record the choreography so kids can practice at home.

## Costumes

Please be advised that the initial costume fee due date has come and gone.

The first late fee of \$10.00 has been added to accounts still owing for costumes.

If costumes are still unpaid on 12/15/2017 you are subject to a 20% late fee.

When we order late (after initial order) these companies charge us "special order" fees, higher shipping costs, et cetera to expedite the order.

## Did you know?

Musick Studios does Birthday parties for kids 12 and younger.

A 2 hour long party with unlimited number of kids, complete with your very own choreographer/instructor is only \$150.00.

You pick the song and we create the dance. Our instructors will have fun with the party guests teaching them and dancing with them.

Call today to reserve the studio for your special party.
