Costume Sizing

Sizing of all dancers will take place the week of October 3rd. If you are unable to bring your child to be sized that week you will be responsible for collecting the following measurements on your child:

- Head
- Chest
- Waist
- Hips
- Girth
- Shoe Size
- Shirt Size
- Pants size

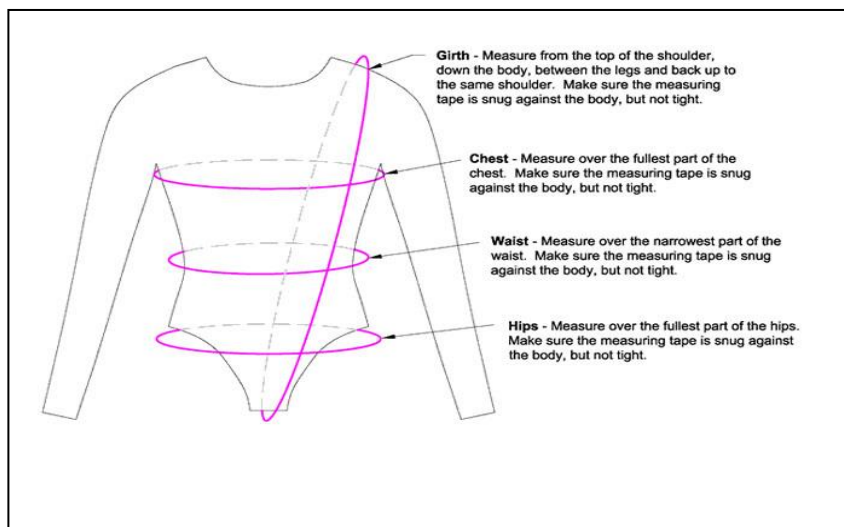

Email measurements to Office@musicstudios.com

We do add approximately an inch in anticipation of growth. However- we never know exactly if or how much a child will grow- so you may be responsible for alterations when costumes are passed out in February.

Costume fees will be added to accounts the week of fall break.

Please stop by the desk or email Office@musicstudios.com for your costume fees.

Costume fees are to be paid in full by 11/17/2016. A 20% late fee is added after this date. You may start putting extra on your account to build up a credit. Please stay current on your monthly dance fees or they will absorb your credit.

Check the Spelling

Every year things improve!! This year we were able to import 90% of our dancer's names from the online registration that parents filled out. However, we still would like for you to please check the spelling of your dancer's name. The names are posted in alphabetical order on the ballet room window, in the lobby.

Halloween News

Halloween falls on a Tuesday this year. As much as we would love to have class on Tuesday and dress up for Halloween, we have made the decision NOT to have class on Tuesday, October 31st.

It is our experience that when we hold classes the same night as Halloween we always experience record low attendance. It is difficult to teach class when over half the class is absent.

We want you to enjoy this time with your child- getting them ready to Trick or Treat. We recognize that memory making family time is very important.

We want all dancers to have a safe and fantastic Halloween!

Five/Ten Year Dancers

If this is your dancer's 5th or 10th year at Musick Studios, please check the list on the ballet room window to ensure your name is listed.

It is an exciting year!
Medals will be ordered on 10/27/2017.

Musick Studios Decal Contest!!!!

How it works:

1. Request a Musick Studios car decal. Available now!!!
2. Place the Musick Studios car decal on your vehicle.
3. Drive around as normal.
4. Hope that LeAnne sees your car out and about and takes a picture of it.
5. Keep watch on the Musick Studio FB page for a picture of your car.
6. Call the studio to earn your prize if you see your car on our FB page!
7. Parked at the studio does not count. It would not be fair if we chose which car we took a picture of. We need to see you when we are out and about living life!

Referrals

In an effort to document all referrals in our system, we have gone through all online registrations and manually entered them.

However, we ask that you email Lindsay, Office@musickstudios.com and let her know the name of the family who referred you or that you referred.

This will allow us to double check our entries in an effort to not miss anyone.

If the family you referred to Musick Studios is still dancing with us November 1st, you will get the month of November free.
