Musick Studios

Check the spelling of your child's name.

Every year things improve!! This year we were able to import 90% of our dancer's names from the online registration that parents filled out. However, we still would like for you to please check the spelling of your dancer's name. The names will be posted in alphabetical order on the ballet room window, in the lobby.

Referrals

In an effort to document all referrals in our system, we have gone through all online registrations and manually entered them. However, we ask that you email Lindsay, Office@musickstudios.com and let her know the name of the family who referred you or that you referred.

This will allow us to double check our entries in an effort to not miss anyone.

If the family you referred to Musick Studios is still dancing with us November 1st, you will get the month of November free.

Musick Studios Decal Contest!!!!

How it works:

1. Request a Musick Studios car decal. Available for \$2.00
2. Place the Musick Studios car decal on your vehicle.
3. Drive around as normal.
4. Hope that LeAnne sees your car out and about and takes a picture of it.
5. Keep watch on the Musick Studio FB page for a picture of your car.
6. Call the studio to earn your prize if you see your car on our FB page!
7. Parked at the studio does not count. It would not be fair if we chose which car we took a picture of. We need to see you when we are out and about living life!

QUICK NOTE:

Please have your dancer dressed out prior to arriving at the studio. Walking through dance rooms to go to the restroom to change before classes are over will no longer be an option. It is a distraction and disrespectful to classes that are in session. We thank you in advance for your understanding.

Five/Ten Year Dancers

If this is your dancer's 5th or 10th year at Musick Studios, please check the list on the ballet room window to ensure your name is listed.

It is an exciting year!
Medals will be ordered on 10/27/2017.
