- There is no pass or fail. Evaluations help staff know if a dancer is ready to advance to the next class if they return the following year.
- All children learn differently.
- All children have different needs/wants from dance.
- We’re excited to see their growth!

Dancer Accounts

We have left this topic out of the newsletters.

However, we cannot stress enough how important it is to keep your dancers account current.

You will now be receiving phone calls in addition to the emailed invoices from staff if your account is overdue.

Unfortunately, your dancer will be asked to sit out of class if the account is delinquent. This is **NOT** something we like to do but we must run a business.

If we fail to pay our electric bills our electricity gets turned off. Electric Companies are a business-we are too and must implement our own policies.

Call Jess- she can work with you to take payments by phone, in person, etc.

Thank you- LeAnne

Shoes for Showcase Information

Shoe Carnival Coupons were sent out in February's newsletter.

All classes are required to purchase the black & white low rise Converse shoes for Showcase. You **WILL** need them prior to picture weekend. Please do not wear them until Showcase—after which your child will have a new pair of shoes.

If you have converse from last year that no longer fit your child and they are in **EXCELLENT** condition you may resell them to another parent. These sales will not go through Jess- and you cannot leave shoes at the desk with her for someone else to pick up. You will need to arrange your own sales. You may post on the Musick Studios Facebook page if you would like to reach out to other parents if you have showcase Converse for sale.

ALL students will need Converse shoes. Ballet, Lyrical & Tap students will be dancing in the intermission & finale.
