Dancer Accounts

We have left this topic out of the newsletters.

However, we cannot stress enough how important it is to keep your dancers account current. You will now be receiving phone calls in addition to the emailed invoices from staff if your account is overdue. Balances must be paid IN FULL by **April 10th**.

Unfortunately, your dancer will be asked to sit out of showcase if your account is delinquent. This is **NOT** something we like to do-but we must run a business.

If we fail to pay our electric bills our electricity gets turned off. Electric Companies are a business-we are too and must implement our own policies.

Call Jess- she can work with you to take payments by phone- in person etc.

Thank you- LeAnne
